Summary

Microsoft Certified Data Analyst Associate with years of experience in PowerBI, Excel, SQL (MySQL, SQL Server, T-SQL), Python, R and more. I look forward to telling stories with data that lead to business goals being met.

Experience

Data Analyst
Innovated Holdings, Inc
Jun 2020 - Present (8 months +)
I use a variety of technologies with an emphasis on MySQL queries to obtain insights in underwriting and claims data to allow upper level management to make business decisions based on data.

Sales Analyst
Time Machine LLC
Sep 2013 - Jan 2021 (7 years 5 months)
Sales and Marketing Tasks. Analyzing traffic data and allocating resources in the most efficient way possible for marketing. I also do image processing, shipping and sales.

Business Analyst Intern
IDEXX
Jan 2020 - Jun 2020 (6 months)
I worked with a variety of technologies with an emphasis on PowerBI and SQL to provide insights in data to allow upper level management to make business decisions.

Education

Maryville University of Saint Louis
Master's degree, Software Development
2020 - Dec 2021

University of Missouri-Columbia
Bachelor of Arts - BA, Statistics
2018 - 2020

Licenses & Certifications

Microsoft Certified: Data Analyst Associate - Microsoft
Issued Jan 2021 - Expires Jan 2023
